Homework Help
From science and math to history and current events, TEL is an excellent resource for students. Whether preparing for a debate or practicing for a college entrance exam, TEL has something for every student.

Career Tools
Career Transitions helps those searching for a new career, from discovering interests and education programs to crafting a resume and cover letter. Be at your best by practicing for the interview ahead of time! TEL is always available, no matter when you need it, anywhere you have an internet connection.

For Business Professionals
TEL provides business professionals with access to an amazing collection of resources that will help keep them current in today’s changing market. Visit the Small Business Resource Center to find tools for becoming your own boss. Or check out the financial markets with Business Insights Essentials. There are also a variety of magazines and business journals like Business Quarterly, The Economist and Economics Week.

For Educators
TEL enhances the classroom experience by providing students access to complex informational readings and skill building courses in math and reading. Educators can even take advantage of the wide range of materials available for their own professional development. The Test Prep in TEL includes the GRE and the Praxis I and II tests.

Genealogy Research
HeritageQuest provides Federal Census records, local history books, family histories and more.
