What To Do If Your HP Product Needs Service

HP offers an outstanding online portal for obtaining support for equipment needing service.

1. Go to www.support.hp.com
2. At the top right corner of the page, click SIGN IN.
3. Use the HP user sign in id and password that you have been provided.
4. Click BUSINESS SUPPORT on the blue band across the screen 1/3 down the page.
5. Click CREATE A NEW CASE.
6. Enter the serial number of the product, what the issue is, and what you’ve already done to try to figure it out.
7. You may attached photographs, screen shots, error reports, etc. to better explain your issue.
8. Be sure to make sure your address is correct and that your contact information is correct—in the unlikely event the agent must get back with you.
9. The HP system will validate your address.
10. You’re all done.
11. You can tract the progress of your request by clicking FIND AN EXISTING CASE.
