Library Law Revisions: During this legislative session, [Tennessee Library Laws](#) have been updated. These updates will go into effect on July 1, 2017. State Librarian Chuck Sherrill has sent out a letter to local boards, library directors and city/county officials about the updated laws.

New and Free: [Chapter 16](#) is a website hosted by Humanities Tennessee. In response to the loss of book coverage in newspapers around the state, Humanities Tennessee founded Chapter 16 in 2009 to provide comprehensive coverage of literary news and events in Tennessee. Each weekday the site posts fresh content that focuses on author events across the state and new releases from Tennessee authors. [Help4TN](#) is a web portal designed to provide Tennesseans with a broad range of legal and social services resources in a one-stop venue. TALS partners with legal service providers to compile legal information on key issues, and TALS partners with The National Association of Social Workers, TN chapter, on content to strengthen the social services referral network to families and children statewide.
