Online Image Evaluation: We now have an online form to make it easier to complete the [Online Image Evaluation](#). We will have more information, including an evaluation link on the libguide, soon.

READS News: If you haven't yet tried Overdrive's new app, Libby, you can preview it [here](#). And [here](#).

Public Library Survey (Data Collection): The 2017 Public Libraries Survey will open on **September 1** and close on **October 6**. Your library's Director should have received an email with the dates and login information which will allow you to print out your worksheet to begin gathering your annual numbers. Please go to the [PLS LibGuide](#) page for further instructions, worksheet, cheat sheet, your READS Advantage and TEL usage, and definitions.

Solar Eclipse: The Solar Eclipse is August 21st! In addition to all the library events, Science In Context features an eclipse spotlight, a video showing safe viewing for a solar eclipse, as well as links to NASA's live streaming of the eclipse.
