Maintenance of Effort Forms: All Libraries should now have a copy of their Maintenance of Effort form (MoE) for FY2017-18. In order to continue regional services, MoE must be met and the original signed form must be returned to the FWRRL office by October 31, 2017. If you have any questions or if you suspect an MoE issue for your library, please contact Matt as soon as possible at Matthew.Kirby@tn.gov.

Trustee Workshop: This year's Trustee Workshop will be held Friday, September 15, at the Art Circle Library in Crossville, TN. Trustees will receive notification and a registration form via traditional mail. As a reminder, trustee attendance at this workshop usually awards more points toward Technology Grant funding in the following year, so try to attend if at all possible.

PLMI/PLLA Attendees: We're pleased to recognize two library personnel within our region that will be attending selective State Library-sponsored training programs this coming year. **Dana Richardson**, the Director of the Macon County Library System, has been accepted into the Public Library Management Institute, a 3-year program for directors. **Kristen Tabor**, the Library Services Coordinator at Art Circle Library, has been accepted into the Public Library Leadership Academy, an annual program to promote leadership skills in non-director administrative staff. Congratulations to both Dana and Kristen!
