

Clinch River Regional Library Report -- January 2017

Matthew Jordan, Director

New Regional Libguide

Roll out for the New Year! Visit our new Clinch River Regional Library LibGuide. We've put many of our resources in one place for your easy retrieval (including this monthly report). There is still the separate Trustee Resources LibGuide out there, but we've placed the most used links from that LibGuide here, plus many more. It is a work in progress, and we want it to be useful for you, so please let us know what you like as well as what you don't.

Tennessee Trustee Certification Program

Kudos and congratulations again to all trustees who have completed their certification! I've put your name in lights at the end of this report. If you haven't started or completed the program yet, we encourage you to make this a New Year's resolution!
